Email:

Submission: Neither

Comments: How can a third party put in a planning request without notifying the owners of the property that is effected. The plan proposed requires the removal of approx 200 yards of mature hedge. This will result in increased noise pollution to the residents of Furlong Drive and will reduce the security to the back of the properties. The current hedge is five / six foot above the road. The plan put forward does not fully address this issue. Any proposed plan should at least take the above issues into consideration prior to submission.
