Submission: Objection

Comments: I Object to this proposed development.

Cresswell is a small hamlet, the roads in cresswell are already extremely busy, especially at certain times of the day. The new housing and the extra traffic would make this intolerable. There is a pinch point up the hill by the old Izaak Walton pub where two lorries can not pass safely! This extra traffic would make this even more dangerous.

The design shows poorly designed 3 storey buildings, with tiny gaps in between houses, nothing of which exists in Cresswell. So would not be in keeping with the rest of the houses!

Cresswell is full of beautiful views and wildlife, this development would totally destroy this!

The noise would negatively affect local residents and be a tremendous nuisance!

I object to this development!
