YOUR COMMENTS ON THE CASE

The road out of Cresswell is extremely busy at peak times now without the extreme number of houses being built in our small hamlet. The decision to remove the roundabout is not only unsafe but the road will not cope with the traffic. This will impact residents all over Cresswell especially at peak times (school times and when the employees leave the business park). I disagree with this decision and hope that the Staffordshire moorlands council listen to the residents and ensure a roundabout is in place
