Submission: Objection

Comments: I object to the new homes as Mainly the road infrastructure is poor to support them

Especially as some of extra traffic will come up the country lanes through Fulford

This is dangerous at the moment with oncoming cars having to go in the hedge to let others passed

There's also lot of horse riders up these lanes. These roads won't cope.

Also I understand the design of the houses is more town house like and not in keeping with the surroundings.

Are there any future plans to build dentists doctors etc here as the surrounding areas can't cope with the existing population for these services. Thank you.
