Submission: Neither

Comments: Forsbrook Parish Council would like to state that they were not consulted on this major planning application and as a neighbouring Parish would have expected to have been consulted.

-The original application has no reference to helicopter manufacturing or testing so should not be classed as reserve matter.

-Flight hours are too extensive.

-Proximity of houses holds a safety concern.

-HGV routes need more consideration and risk assessing.

-Aviation Fuel transportation and storage needs more consideration and risk assessing.

-More reports are required with regards to the environmental impact, flooding impact, noise pollution and increased traffic for all surrounding villages and A50.

-More reports are required with regards to proposed flight paths and risk assessments.
