Comments: I find it incredible that only a few years past, there was a similar application for a McDonald;s on Broad street (the same street as this KFC application)and that was thrown out on the grounds of creating even more congestion along an already busy street. Why then is this even being considered?

I believe this plan will not bring any value to most locals of Leek, rather it will benefit the chain KFC and outside passing traffic.

All this fast food restaurant will offer most Locals is extra noise, extreme congestion on a main road; rubbish and smells.

And as commented by another objector, this has been a very sly application, not mentioning KFC rather other actors behind them.
