Comments: The traffic has already increased since Sainsburys has opened and there is already a problem with cars driving around the car park at night with groups of people using it to skid round the roundabout this would only increase with McDonald's on the site and the litter would pose a problem with local wildlife in the area. There is already a variety of takeaway and restaurants in the area and with McDonald's being franchised it will take away money being spent on local businesses already established in the area.
