To whom it may concern,

I am writing to register my support for the proposed McDonald's Drive-Thru for Leek on land adjacent to Sainsbury's on Churnet Way, Staffordshire Moorlands. A McDonald's store here will provide all important jobs.

I support this application because the increased investment in the area will enable the council to improve key local services through the business rates generated.

I also think that the McDonald's application should be approved because McDonald's is a sustainable developer that is conscious of its impact on the community. For example, they do frequent litter picks.

I, and many other local people, support this proposal because it will be good for Leek. I hope the council is able to support this application.

Having also worked for the company for over five years working through the company ladder into management. McDonald's offer a great deal of employment benefits and progression which will enable future generations to make a career in their home town.

Kind regards,
Laura Robinson
