Submission: Objection

Comments: I must object to this application. Firstly on the grounds of traffic management the small roundabouts in the area already struggling to cope with traffic at peak times add the inevitable increase of traffic this application would bring and chaos will soon ensue. Secondly such a restaurant with its huge lot signs are not in keeping with the local environment, talking of the environment I often note that areas of country around us are already strewn with litter from branches of this establishment, presumably Norton, Festival park and Meir. This can only be made worse by a local branch, considering the town's location on the edge of the Peak district and being the 'Queen of The Moorlands' we could soon become the 'Vandal of The Moorlands' as people 'drive thru' and deposit their litter all along the roads of our picturesque area. The supposed level of employment (highly inflated and improbable numbers) are far outweighed by the damage to our town that will be caused if this application is granted.
