I want caramel frappe's and to never travel on busses again bring the maccis to leek

To whom it may concern,

I am writing to register my support for the proposed McDonald's Drive-Thru for Leek on land adjacent to Sainsbury's on Churnet Way, Staffordshire Moorlands. A McDonald's store here will provide all important jobs.

I support this application because a new McDonald's would provide over 120 jobs for the local community and create further employment opportunities during construction and through the supply chain.

I also think that the McDonald's application should be approved because a McDonald's in Leek would reduce car journeys to neighbouring towns, therefore, helping the environment.

I, and many other local people, support this proposal because it will be good for Leek. I hope the council is able to support this application.

Kind regards,  
Kelly Hirst
