To whom it may concern,

I am writing to register my support for the proposed McDonald's Drive-Thru for Leek on land adjacent to Sainsbury's on Churnet Way, Staffordshire Moorlands. A McDonald's store here will provide all important jobs.

I support this application because a new McDonald's would provide over 120 jobs for the local community and create further employment opportunities during construction and through the supply chain.

I also think that the McDonald's application should be approved because the increased investment in the area will enable the council to improve key local services through the business rates generated.

I, and many other local people, support this proposal because it will be good for Leek. I hope the council is able to support this application.

Kind regards,
Kerry Podmore
