To whom it may concern,

I absolutely support this. This town needs something like this. We have to travel either side of Leek to get to one of these outlets and both are nearly 10 miles apart. This could be the start of bringing more into town around that retail park that needs more to it than just sainsburys. Could be the start of something good for leek.

I am writing to register my support for the proposed McDonald's Drive-Thru for Leek on land adjacent to Sainsbury's on Churnet Way, Staffordshire Moorlands. A McDonald's store here will provide all important jobs.

I support this application because a McDonald's in Leek would reduce car journeys to neighbouring towns, therefore, helping the environment.

I also think that the McDonald's application should be approved because McDonald's will be better for the area than the existing site.

I, and many other local people, support this proposal because it will be good for Leek. I hope the council is able to support this application.

Kind regards,
Dominic Cooper
