Yes I think it can wait until then Mel. No point me sending it elsewhere and as you say it should be quite straightforward. Please can you programme it in your diary and I'll get you a PO in the meantime.
Hope the Inquiry goes well!

Hi Jane

Fine thank you. How urgent is this consultation? I am just preparing for a Planning Inquiry in Preston next week and then I am on holiday for a couple of weeks. Can it wait until the end of August?

It should be a relatively short consultation response, say 2 hours at £130.00. I am just struggling to find the time.

Many thanks

Mel

Morning Mel
Hope you are well.
We have received a new Heritage Assessment for this application as part of a revised submission. It appears that in order to address your comments the eastern edge of the development has been drawn back and tree planting has been removed from the area of proposed green infrastructure to the west of Broad Haye Farmhouse
Please can you give me a fee proposal for reviewing this and providing final comments?
Thank you
Jane
