Submission: Objection

Comments: Bemersley Road will see hundreds of huge articulated lorries passing through, right next to schools, villages and play areas. The road is not suitable for this type of traffic. This road is like a wider county lane it is busy as it is but it is definitely not suitable for lorries. There is also a safety/fire risk attached to these plans and it would effect those within the area which includes where I live. I strongly object to these plans.
