Dear Ben

SMD/2021/0725 – LOWER OVERTON FARM, OVERTON ROAD, CONGLETON

I refer to the above application which was approved on the 2nd March 2022.

Condition 2 of the planning consent requires evidence to be provided that a bat licence has been secured for the proposed conversion works. I enclose for the Local Authority's attention a copy of said bat licence issued by Natural England and would accordingly request that this condition be signed off as swiftly as possible.

Should you have any queries or concerns in respect of the information submitted then please do not hesitate to contact me.

Yours sincerely
