To whom it may concern,

I am writing to register my support for the proposed McDonald's Drive-Thru for Leek on land adjacent to Sainsbury's on Churnet Way, Staffordshire Moorlands. A McDonald's store here will provide all important jobs.

I support this application because McDonald's will be better for the area than the existing site.

I also think that the McDonald's application should be approved because the investment in Leek is very much welcome, particularly after Covid-19.

Furthermore, recent businesses that have moved into Leek have been tailored toward vape or barber shops, which are a significantly niche area and do little to serve the wide and diverse community of Leek and the people that travel in to the town. McDonald's by comparison will have near universal appeal and will also generate income for the local area with passing traffic stopping, and hopefully encouraging more people to visit our wonderful town.

I, and many other local people, support this proposal because it will be good for Leek. I hope the council is able to support this application.

Kind regards,
Shaun Barsby
