Comments: I write with some concern after seeing the proposed planning request for a fast food restaurant and would like to object to this proposal.

I feel that the area for this proposal would be better served by something that 'fits in' with the local 'market town'.

The proposal would without doubt increase litter and food waste. Increase noise and pollution due to increased traffic in the area.

I don't live in the area myself but spend a lot of time walking in that area and feel the proposal would be of great detriment to the locality.
