To whom it may concern,

I think McDonald's would be brilliant for Leek, it will help reduce the younger generation from being on the streets and will also reduce pollution as our nearest McDonald's is in Stoke or Macclesfield.

I am writing to register my support for the proposed McDonald's Drive-Thru for Leek on land adjacent to Sainsbury's on Churnet Way, Staffordshire Moorlands. A McDonald's store here will provide all important jobs.

I support this application because a new McDonald's would provide over 120 jobs for the local community and create further employment opportunities during construction and through the supply chain.

I also think that the McDonald's application should be approved because McDonald's will be better for the area than the existing site.

I, and many other local people, support this proposal because it will be good for Leek. I hope the council is able to support this application.

Kind regards,
Lauren Harvey
