To whom it may concern,

Having the McDonald's in leek would be good on the job side also we wouldn't have to travel out of leek also it would bring people into leek as there nothing era other than Charity and antique shops we need to go out with 2022 and nothing for the young ones not even a decent part for them to go to

We need young memebbers on the council also ??? As there no young mens or ladies shops in leek it's all the old ladies ??? Leek needs up dating to a point it doesn't loose the Quirky town spirit as times move on

I am writing to register my support for the proposed McDonald's Drive-Thru for Leek on land adjacent to Sainsubury's on Churnet Way, Staffordshire Moorlands. A McDonald's store here will provide all important jobs.

I support this application because a McDonald's in Leek would reduce car journeys to neighbouring towns, therefore, helping the environment.

I also think that the McDonald's application should be approved because a new McDonald's would provide over 120 jobs for the local community and create further employment opportunities during construction and through the supply chain.

I, and many other local people, support this proposal because it will be good for Leek. I hope the council is able to support this application.

Kind regards,
Louise Johnson
