Comments: Further to our comments/questions, further plans received 26.9.22.

We have the following concerns:

1. Our fence panels need to be shown on the elevation so the height of the extension can be shown in context.
2. The roof covering taken up the pitched roof shows „minimum“ of 450mm. We require the exact measurement.
3. How will the brickwork be neatly pointed given the close proximity to our property?

Thank you.
