Subject: Staffordshire County Council - no comments on consultation - 83 Lilac Grove Farm, Folly Lane, Cheddleton - ref SMD/2022/0487

Categories:

I refer to your consultation email received on 15 September 2022.

The County Council as the Mineral and Waste Planning Authority has no comments on this application as the site is:

- Not within or near to any permitted waste management facility; or
- Exempt from the requirements of Policy 3 Mineral Safeguarding in the [Minerals Local Plan for Staffordshire \(2015 - 2030\)](#); or
- Is development subject to our [standing advice for development proposals within mineral safeguarding areas](#).

Please note guidance at paragraph 5.55 of the [Staffordshire and Stoke-on-Trent Joint Waste Local Plan 2010 - 2026](#) and the mineral safeguarding [consultations checklist](#) which will assist you in determining when to consult the Mineral and Waste Planning Authority.

Kind regards

Andrew Christelow
