

Application Reference No. : SMD/2022/0189 Site Address: Land at Broad Street Leek Staffordshire

Comments by: Steve Proctor

From:

27
King Street
Leek
Leek
Staffordshire
ST13 5NW

Submission: Objection

Comments: We object to the planning application number SMD/2022/0189 on the following grounds

The development would increase traffic on an already busy road increasing accidents

The development would increase the risk to pedestrians crossing the road as no controlled crossings exist near the proposed development

The development would increase parking problems already an issue on King Street and other nearby roads

The development would increase rubbish and litter in the streets and roads near the proposed development

There already numerous and various hot food outlets in and around Leek Town
