Dear Sir/Madam

CONVERSION OF RESIDENTIAL ANNEX TO DWELLINGHOUSE

22 THE BEECHES, JASMINE CLOSE, BLYTHE BRIDGE

Thank you for referring the above application which we received on 14 October 2022.

We note that the current use of the annex is being used for residential purposes and the proposed use for the annex proposes to make this a dwelling.

Our Flood Map shows that although there is some floodplain within the site boundary, the building itself is located in low risk Flood Zone 1. We therefore have no objections to the proposal.

Yours faithfully

Ms Jane Field
