Rights of Way

We are unable to comment on this application as, although the Definitive Map of Public Rights of Way for Staffordshire indicates there are rights of way along an access road and adjacent to the proposed development, they are not shown on any of the plans or mentioned in any of the documents.

Please can you respond to the applicant requesting this information be provided so we may in turn, provide an appropriate response to their proposal?

The correct alignment of the rights of way may be seen on our online web map here: Staffordshire County Council Public WebMap
