Subject: Objection to remove a condition to flats in Congleton Road Biddulph

I am emailing to raise an objection to the proposal to remove a condition to the original planning that was granted on this property.

This would be very unfair to the local people of Biddulph who are desperately in need of affordable housing.

There is also concern in the local community that the type of housing proposed would most definitely decrease the value of our houses.

Please give this matter your attention .

Regards, Concerned Biddulph Resident.
