Re: Application Number: SMD/2022/0539

Applicant's Name: Mr N Mountford

Location: Hawthorne House, Puddy Lane, Stanley

Proposed Development: Erection of detached garage to front of house

Dear Sirs

First of all, I agree with everything that Mr and Mrs Tizley have stated. Having lived in the village of Stanley for almost 40 years I have seen many changes. I think this development would be unsightly. It will spoil the look of the conservation area and a very pretty lane – Puddy Lane.

I do not believe that the boundary hedge with Chestnut Tree House will survive the proximity of the garage building keeping off light, water etc. For 7 months a year the beech hedge, fronting the development, has no leaves to hide the view of the building.

It would set a precedent for similar buildings in the village.

Yours faithfully

Mrs E Leggett
