Comments: Re the consultation with Staffordshire Wildlife Trust.I wish to place on record in respect of the trees, referred to in the Application as 'to be removed', that I fully endorse that plan to remove them.The trees border my home, they are an eyesore which have caused me aggravation over the last almost 20 years; the owner having refused to control or maintain them, as they cover my property land and buildings with an enormous amount of leaves in the autumn, reach into my garden requiring me to cut them back at my expense due to the height and my advancing years and loss of light and sun.I have never seen a hedgehog in the immediate vicinity and to my knowledge they are not tree dwellers.
