As per my previous email I wish to object to the above application on the grounds that we will lose our light corridor which will impact on our mental health.

Kind regards

Mrs J Edge

Re: SMD/2022/0333 – 72 Thorley Drive, Cheadle.

We wish to object to the above planning application on the following grounds:

- Size and scale of the proposed extension. We feel that the extension will have an impact on the property prices in the area.
- Impact on neighbouring property – overbearing aspect, noise, loss of natural light, privacy. Especially as we live in a bungalow and the extension will be much higher than our property.
- The proposed application is too close to the adjoining properties.
- Not in keeping with the character of the local area – much higher and larger than other properties on the street.
- Restricted access for maintenance – the proposed plans will limited our access to the rear of our property.

Kind regards

Mr and Mrs Edge
