Subject: SMD/2022/0444

Hi Sally

We have been given your email address as a point of contact for the above proposed planning application. We live on Thorney Edge Road Bagnall but are unable to attend the meeting tomorrow. Would it be possible for you to forward this to whoever concerned on our behalf please?

Application Number SMD/2022/0444

Application Name C & S Energy Ltd

Location Land East of Cellarhead Substation and West of Rownall Road.
Wetley Rocks

Proposed Development Erection of a flexible Energy Facility

Strongly Object

We strongly object to the above proposed development.

There are a few of these applications going in at the minute which should all be thrown out. This is a beautiful area of the Staffordshire Moorlands and would like it to stay that way. It is green belt land and mostly used for agriculture.

These battery storage facilities are dangerous, devalue our homes and will become an eyesore around.

Once one of these applications is passed then everyone else will jump on the bandwagon. These people are not thinking of the local area we live in, they just see £ signs, a way of making more money. We have been approached several times by these companies and have said no as we think more about the area we live in than filling our bank accounts.

Please consider our objections as I know a lot of people do not want these facilities

Many thanks
Eddie and Jane Heath
