Why do you consider that a Lawful Development Certificate should be granted for this proposal?

With the agreed reduction of roof slope to the approved SMD/2019/0068 Client has little internal storage space.  
Telephone conversation with Jane Curley Wednesday 17th August 2022 and Liza Jackson on the 22nd September 2022  
Suggest look at Permitted Development under Class E – a detached garage – too much bulk if attached to existing  
Spoke with Lisa Jackson on the 22nd – who pointed out that the garage must be set back to the Principal Elevation Line which is the front of the original building prior to the roof raising and front/rear extension.  
It seemed to tick all the boxes for a Certificate of Proposed Lawful Development which would attract a cost of half the full planning fee. Lisa pointed out that these were an observation and did not guarantee that permission would be granted.

## Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes  
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☐ The agent  
☒ The applicant  
☐ Other person

Has assistance or prior advice been sought from the local authority about this application?

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

- ☒ No

## Interest in the Land

Please state the applicant's interest in the land

- ☒ Owner
