In view of the modest nature of the development, it is not considered to be disproportionate and not inappropriate in greenbelt terms and is an appropriate design. The development will not harm the amenity of neighbours nor impact highway safety and complies with the Development Plan, and there are no material considerations that warrant making a different decision.

## Authority Employee/Member

**With respect to the Authority, is the applicant and/or agent one of the following:**
**(a) a member of staff**
**(b) an elected member**
**(c) related to a member of staff**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
