Submission: Objection

Comments: I strongly object to the proposal. Cheadle is a one way thoroughfare with heavy plant and traffic through the High Street, it is congested, dangerous and unedifying to shoppers. Additional traffic will only add to the problems. My GP is Well Street, it is small, difficult to park and extremely difficult to see a GP, schools are at capacity - where will the additional residents go ?

Why has there been no signage by the council to inform the present public of the planned proposals and why have you not done everything reasonably possible to inform us.
