Dear Mr.Stokes,
Moneystone Quarry - Planning Applications SMD/2016/0378, SMD/2019/0716, SMD/2019/0725, SMD/2019/0646, SMD/2020/0014.

In view of the detail of representations and evidence now increasingly accumulating on the above planning files and some of the details contained in responses of SMDC LPA Officers to FOIA requests, I ask that, in order for the public to have a full understanding of the environmental risks posed at the proposed development at Moneystone Quarry by the previous actions at and needs of the site and the surrounding area which clearly links to the ongoing duty of SMDC LPA to safeguard the residents and the wider public imposed upon your Authority by the Town & Country Planning legislation, the NPPF, the EIRs, the SMDC LPA Core Strategy and the Environment Act, the attached article is posted on all the above cited applications.

Please acknowledge receipt of this request and confirm that it has been drawn to the attention of all Officers having any responsibilities for planning applications cited above.

Yours sincerely,
Paul Housiaux,
Whiston Resident.
