Submission: Objection

Comments: 1: The use of the verge between the road and grove bank farm, due to flooding that could go on to the road.

2: Roof Terraces

I personally do not consider roof terraces in the Staffordshire, Moorlands/Peak District To be in keeping with the area.

3. The road

It's very narrow and has blind bend there has already been a few near misses in the village in places that are much more open and with better view, I feel the risk is greater here and someone will end up get hurt with cars being outside the property.
