Application no: SMD/2022/0669

Determined on: 22/02/2023

Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as Amended)

FULL PERMISSION FOR DEVELOPMENT

This permission does not carry any approval or consent which may be required under any enactment, bylaw, order or regulation (e.g. in relation to Building Regulations or the Diversion of Footpaths etc) other than Section 57 of the Town and Country Planning Act, 1990.

Location of Development:
White Chimneys Bradshaw Lane Ipstones Staffordshire ST10 2LR

Description of Development:
Construction of a manege

In pursuance of their power under the above mentioned Act, Staffordshire Moorlands District Council Planning Authority, **HEREBY GRANTS PLANNING PERMISSION** for the development described above subject to the following condition(s):

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.
Reason: To comply with the provisions of Section 51 of the Town and Country Planning, Planning and Compulsory Purchase Act, 2004.

2. The development hereby approved shall be carried out in accordance with the details as submitted in the application form and submitted specifications and as shown in drawings:
Location plan at 1:1250 (as received 22.02.23)
Site plan at 1:500
Elevation plan – levels at 1:100
Elevation plan – fencing at 1:100 and drainage at 1:25
Reason: To ensure that the development is carried out in accordance with the submitted details and approved plans, in the interests of good planning, for clarity and the avoidance of

doubt.

3. In the first available planting season (November to March) following the completion of the development or its first coming into use whichever is the earlier there shall be planted to the southern border as shown on the submitted location plan hereby approved a minimum 60m length of native species mix of hedging whips and in addition to the western border of the manège development hereby approved a minimum 25m length of native species mix of hedging whips. The planting shall comprise unless otherwise agreed in writing with the Local Planning Authority 60% hawthorn 20% blackthorn 20% hazel at 18" intervals in two staggered rows 12" apart protected by guards and fencing so far as necessary to ensure no grazing by livestock or wild animals. Any plants which die or are lost or otherwise fail to establish in the first five years following the completion of the planting shall be replaced in the next available planting season with plants of the form and size as originally planted. The planting shall thereafter be allowed to grow and be maintained as hedging to a minimum height of 1.5m for the lifetime of the development.
Reason: In the interests of landscape protection and biodiversity.

4. There shall be no storage of any vehicles including horse trailers/boxes or other transporters for horses nor shall any movable shelters or storage containers be placed within the manège area.
Reason: To safeguard the openness and visual amenity of the area.

5. There shall be no external lighting associated with this development.
Reason: In the interests of environmental amenity and for the avoidance of doubt.

6. The manège hereby permitted shall be for private use only and shall not be used in connection with any commercial enterprise such as livery stables or riding school and shall not be used for public competition.
Reason: To define the permission and to limit the level of activity on the site to be compatible with its location. To comply with NPPF Paragraph 111; to comply with SMDC Local Plan Policy DC1; in the interests of highway safety.

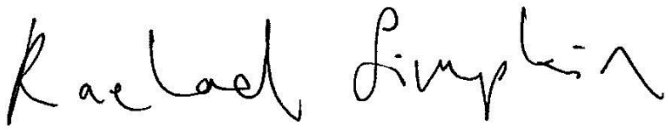

Informatives

1. A public footpath right of way passes through the site and this must not be obstructed at any time during the development and must remain available for public use on foot at all times both during development and on completion. Should temporary closure or diversion be necessary to allow the works to proceed then application should be made to the Staffordshire County Council Public Rights of Way officer. Contact: Rights of Way, Staffordshire County Council, 2 Staffordshire Place, Tipping Street, Stafford ST16 2DH. Email: rightsofway@staffordshire.gov.uk. Tel: (01785) 277244 or 277247
The granting of planning permission does not constitute authority for interference with the right of way or its closure or diversion. For further information the applicant is advised to read section 7 of DEFRA's Rights of Way Circular (1/09).

STAFFORDSHIRE moorlands DISTRICT COUNCIL

ACHIEVING · EXCELLENCE

2. The proposed development is judged to be of suitable design and meets the tests of sustainability in planning. There are not judged to be any adverse implications for neighbours or wider public amenity and street scene. As the application was considered acceptable there was no need for any negotiation or amendment as would otherwise be advocated within the National Planning Policy Framework paragraph 38.

NOTES

1. Approval under the Building Regulations may also be required. Advice in this respect can be obtained by contacting the Councils Building Control Section at BControl@staffsmoorlands.gov.uk

2. Where a vehicle is often driven across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may, be required to pay the cost of construction of a crossing, and/or may be required to comply with conditions, imposed by the Authority. You should contact the Highway Authority at Staffordshire County Council.

3. This consent is granted subject to conditions and it is the owner(s) and the person(s) responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond. An application will need to be made to discharge conditions and a fee is payable with the application. For more details please refer to our web site: www.staffsmoorlands.gov.uk If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
    a. If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
    b. Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

4. Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

5. The permission is granted in strict accordance with the approved plans. It should be noted however that:
    a. Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
    b. Variation to the approved plans will require the submission of a new planning application.

6. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

7. If the decision to refuse planning permission is for a householder application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

8. If this is a decision to refuse planning permission for a minor commercial application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

9. If this is a decision to refuse express consent for the display of an advertisement, if you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.

10. If you want to appeal against your local planning authority's decision for any other type of development, including listed building consents then you must do so within 6 months of the date of this notice Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://acp.planninginspectorate.gov.uk

11. The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

12. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

13. Domestic sprinklers. Fire sprinklers operate automatically even if you are not at home releasing water directly over the source of the fire and sounding the alarm, they are unobtrusive and easy to install. Sprinklers are NOT expensive; normally costing around 1-2% of the cost of construction of a new building. The use of sprinklers will usually allow design freedoms as well, which can reduce construction costs and improve usability and design freedoms of the building. The chance of an accidental discharge is 16,000,000:1. If you would like further advice please contact Staffordshire Fire and Rescue Service (www.staffordshirefire.gov.uk).

14. Working smoke alarms correctly positioned in your home can save your life. The Fire Service recommends you have smoke alarms on every floor of your home, including in each bedroom, and make sure you test your smoke alarms at least once a month. Although the application of approved guidance and enforcement of regulations will give buildings the legally required baseline of fire protection, the Fire Service's viewpoint is many of these fall

short of what we would consider adequate. This is why we campaign for the inclusion of sprinklers.
