Submission: Objection

Comments: 54 Uplands Croft, Werrington

Werrington For the fourth time I again wish to add my objection to this planning application NOTHING WHATSOEVER has changed from the initial application apart from tinkering around the edges for the fourth time my main objection is the positioning of the entrance/exit to the site it is on a bad bend resulting in the powers to be placing a street light on the bend to illuminate its problem moving the light in question which has been suggested would defeat its purpose!!!
