Submission: Objection

Comments: I objected to the original application on the basis that, due to the very limited access to the property (58, Uplands Croft), I firmly believe this would pose a danger to the safety of pedestrians and also, result in a back-up of vehicles on the highway when vehicles enter and exit the same premises.

Children frequently play in this area because the road inclines in both directions either side of the bungalows Numbers 58/60/62. There is an acute bend in the road and vision is seriously restricted to drivers at this point in the road. Nothing on the application mitigates this risk.

I purchased my bungalow three years ago. My husband was/is able to enjoy the views in the back garden area. Whilst this is not the main reason for my objection to the application, I am concerned that the additional dwellings will affect the current privacy which attracted us to this property.
