

STAFFORDSHIRE MOORLANDS DISTRICT COUNCIL,
STOCKWELL STREET,
LEEK

RE: SMD/2022/0656

I have studied the above application and as a resident of the village of Meerbrook it is my opinion that more homes should be made available for local people. The properties are ideally suited for residential use, the Moorlands Connect bus service can be utilised to promote sustainability and there is a pub in the village and café plus shops at the Tittesworth Water visitor centre.
