14 Southlands close, Leek,

Single Storey Rear extension.

WE OBJECT to the above application on the following grounds, the window in the proposed extension on the North elevation side (12 Southland close) will overlook our Property e garden, it will overlook our Back door Kitchen e Lounge window Patio e outdoor Sitting Area.

The ground level at the proposed site is elevated. 7 1/2 ft above our Property Plus a 3ft wooden Fence. which Means a Total of 10 1/2 ft e it Seems as Though the window is above this level, 10 1/2 ft (from our ground level) which Means our Property will be over looked, e take away our Privacy which we have enjoyed for 41 years, we Feel this is not acceptable.
