Submission: Not Object

Comments: The Parish Council do not object to this application however we would like to point out that on the sale particulars for Field House on Rightmove that the plans they show seem to indicate that there are two entrances to the property off Dilhorne Road and not just the one on the plans submitted with this application. We ask that you look into this as no application to our knowledge has been submitted either now or in the past to make a new entrance before any decision is made on this application.
