Thank you for the invite

I am very sorry to say that I won't be able to attend, I'm a teacher and I'm not able to take time off during term.

I really hope that my concerns are aired, from a social, economic and environmental point of view, I am against the plan for a McDonald's.

Since first commenting on the plans, I am also concerned about the potential for anti social behaviour. In Stoke and festival park, they have an issue with "boy racers" congregating in the area of McDonalds drive thru. I wonder if our police can assure us that this won't happen, or that we have the resources to sort it out if it does happen. Also, seeing as McDonald's is a multinational, I will reiterate that economic gains will leave the town. Other than trapping people in low paid, part time jobs, I don't know what the economic gain will be for us in the town.

I know councils don't feel like they have the power to refuse a realistic application, but I really very strongly believe that the costs to our community, our moorlands identity will be greater than any benefits that could be had by this plan being passed.

Very kind regards and thank you for the invite to speak.
