Dear Lisa,

Rights of Way

The Definitive Map of Public Rights of Way for Staffordshire shows no public rights of way crossing the application site.

Nor has Staffordshire County Council received any application to add to or modify the Definitive Map of Public Rights of Way in that vicinity.

The possibility of the existence of a currently unrecognised public right of way, makes it advisable that the applicant pursue further enquiries and seek legal advice regarding any visible route affecting the land, or the apparent exercise of a right of way by members of the public.

Kind Regards,

Julie Hall
