Submission: Objection

Comments: This application and subsequent appeals have been previously refused and I see very little has changed in the new application, certainly nothing sufficient to warrant an approval.

The bungalow would be out of character with the other properties in the area and would cause overdevelopment. The width of the road is totally unsuitable for cars to reverse onto Birchall Lane and there is a serious lack of space for visitors and deliveries etc to the property. For these reasons I wish to object to the planning application.
