Comments: Keep Leigh green

I want Leigh community protected, ensure food security in farming, don't want hazardous substances, nor do I want house prices to decrease. It is a poor location, especially the lanes in and around there (there is no way a hgv lorry and a car/van/tractor could pass safely on any route around there. The lanes are mainly bendy in most directions with little to no pull ins especially from tean way.

There is no benefit to local residents.
