Submission: Objection

Comments: At a meeting of Leek Town Council Planning Committee on Monday 20th March 2023, the council resolved to object to the application for lamppost banners, as the PVC signage is not long term and starts to get tatty and ripped as the bad weather takes its toll. The council studied the area and suggested that the street furniture in this area could distract drivers from an already busy road junction and roundabout.

Please consider the objection on Highways road safety when you make your decision.

Yours sincerely

Denise Wheat
