Submission: Support

Comments: I am writing in support of the application by Brian Vowles at Biddulph Old Hall to reinstate the access road to the Hall from the Congleton to Biddulph (A527).

The proposal will much improve access to this great facility which is used on numerous occasions for Charitable causes together with the maintenance of one of the area's finest heritage properties, with its amazing local history and intriguing family story.

In addition, the proposal would also give privacy and security to the farm property which is currently being crossed to obtain access to the Hall.
