The amendments which have been requested are as follows:

- The porch gable would need to be removed from the front extension. The front of the dwellings along this side of the street are pretty uniform, therefore we feel that the porch gable draws more attention to the front of this dwelling and breaks up the uniformity.
- We would ask that some of the rooflights on the front extension are removed, so that there would just be 2 in total (for the same reason mentioned above).

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
