Submission: Support

Comments: We would like to express our support for the application for new access and parking at Biddulph Old Hall.

The Hall and Ruins are an important part of national and local history and, by granting this alternative access, would aid their accessibility. Mr. Brian Vowles and the late Mr Nigel Daley, by their joint efforts in the work of restoration, preservation of the buildings and generosity have ensured that Biddulph Old Hall will be there for the education and enjoyment of future visitors - as we also have done in the past in support of various charities.
