Comments: I object to the planning application as work has already started at the property before planning has been approved. I have already emailed the Case Officer regarding the Applicants closing of the footpath that runs from Smithy Lane to Eaves Lane. The sty's have been blocked off at Smithy Lane by a large steel fence and at Eaves Lane by a sign saying 'No right of way' and damage to the sty itself. Is it the Applicants intention to permanently shut the existing footpath as they now potentially own both properties at each end of the footpath and all council wooded footpath posts have also been removed.
