Submission: Objection

Comments: I have lived in the village of Foxt for 71 years and feel saddened that by allowing yet another
development the character of the village of Foxt will be lost.

I object to the proposed development because the application is not related to the existing pattern of development
and would be a prominent intrusion into the countryside.

Can I just remind you that there is a footpath No.52 that uses New House driveway and with extra vehicles using this
drive it would increase the risk to walkers.
